### Purpose

This procedure outlines the responsibilities and processes for the management of complaints and appeals made by overseas students (or persons acting on behalf of overseas students) enrolled in an EQI registered course.

### Overview

Overseas students who are dissatisfied with elements of their program can make a complaint about the situation or appeal certain decisions. Depending on the type of matter being complained about, complaints from overseas students are either managed under the department's [Customer complaints management procedure](#) or under this procedure.

For complaints about the service or action of EQI, EQI schools, school staff, education agents, parties who deliver the student's program, homestay providers, or requests (for example, change of homestay or travel and activities) the [Customer complaints management procedure](#) applies. This includes where the complainant appeals the outcome of their customer complaint.

Overseas students can appeal certain decisions made by EQI about their enrolment and visa conditions. The internal appeal and external appeal process outlined in this procedure applies to the following decisions made by EQI:

- to report the student for failing to maintain satisfactory attendance or course progress;
- to refuse a request by the student to defer or suspend their enrolment;
- to suspend or cancel the student's enrolment (initiated by EQI);
- to refuse a request to transfer to another registered provider.
- to refuse a variation of enrolment request.

This procedure is supported by the department's [Customer complaints and grievances management policy](#) and [Customer complaints management procedure](#), and the [International Student Programs \(ISP\) standard terms and conditions](#).
